1. Communications/Marketing now....

Public Awareness

We will present information about the library's resources, services and programs that educates and appeals to the community.

- Develop a marketing plan for the district.
- Develop a relationship with local, state and national organizations that have mutual missions and goals.

Approved – May 19, 2016

2. Collections

We will build and maintain a collection of up-to-date print and non-print materials by continually evaluating the needs of the community.

- Align the materials available at a branch with the needs of each community.
- Maintain permanent physical collections while maximizing access to other resources.
- Develop special collections based on community needs and interests.

Approved – June 16, 2016

3. Technology

We will provide the necessary technology for the public and staff so they can access resources.

- Consider options for payment of library fines, fees, photocopies and donations.
- Research offering mobile library circulation services.
- Investigate technology trends and implement as feasible.

Approved – July 21, 2016

4. Services/Programs

We will provide high quality services and programs for the community.

- Continue to maintain and/or expand the number and quality of library programs.
- Expand partnerships with our service area school communities.
- Offer satellite programs at other facilities.
