Lapeer County Report:
Mr. Henning gave a report of county activity, indicating that it was a rather “quiet time” for the county. There have been staff changes and Community Mental Health (CMH) appointments. He gave a brief description of “interesting” topics including 911 request for money for equipment for car computers, and a change of use to the area behind the courthouse. He distributed fliers promoting the 33rd Annual Lapeer County 4-H Spring Auction.

Unfinished Business:
Response from LDL’s lawyer is needed before presenting changes to the full board.
While the trustee manual has a description of duties, it was felt that some unnamed duties should be put into a succinct form, spelling out powers, duties and responsibilities. Some duties that might be understood need to be directly stated.
In a discussion of term limits (and their possible inclusion in the board’s by-laws), individual board members were polled. At this time term limits will not be included in the by-laws.
The board considered having ad hoc positions on the board. While the consensus was that it was a good idea, no definite action was taken.

Financial policies discussion:
The financial policies in board member’s packet at the last meeting were based on LDL’s lawyer’s templates and the board had time to scrutinize them for further refinement particular to LDL’s situation.
The policies involve public library purchasing, electronic transactions of public funds, patron payment by electronic transactions with a device, and credit card use by authorized staff.
Most online bill paying is already in the budget which the board has approved.
• Some policy information is already in the board’s by-laws but should be as a separate policy.
• More questions were generated for LDL’s lawyer to clarify.
• It was agreed that the policies would be revisited at a later time.
